

Top circle ①

Bottom/Base circle ⑤

- Directions:**
- Cut out each circle. Lay circle ⑤ on the table as your base. Lay circle ④ on top of circle ⑤. Lay circle ③ on top of circle ④. Lay circle ② on top of circle ③. Cut circle 1 down the middle on the dotted line. Fold all circles in half.
 - Glue ONE HALF ($1/2$) of each circle to the circle below it, EXCEPT for circle 1.
 - Staple the marked locations on circle 1 to join circles together.
 - Glue the BACK of circle 5 to the appropriate page in your notebook.
 - Begin the gaiter walk after you've been cleared by your teacher to begin!
